"Collaborating to Build Vibrant Entrepreneurial Networks"  
May 3-5, 2018, Dalhousie University, Halifax, Nova Scotia, Canada

## **Paper Development Workshop**

**May 3, 2018, 2:30 pm - 5:00 pm**

As part of the pre-conference program for the 2018 CCSBE conference, Journal of Small Business and Entrepreneurship organizes a paper development workshop (PDW) for junior scholars. The aim of the PDW is to provide participants with developmental feedback on their current research projects on entrepreneurship and small businesses in order to help these new scholars advance in the field. Furthermore, we hope that the papers coming out from this PDW will eventually be published in JSBE or other journals. Participation at the PDW is limited. Participants will be invited based on the quality of their submission and they must register for the CCSBE conference to participate in the PDW.

### **Agenda:**

- 2:30 pm - 3:30 pm: Panel discussions with JSBE editors and invited senior scholars on how to get published.
- 3:30 pm - 5:00 pm: Breakout sessions in which each participant will receive feedbacks from a senior scholar and another participant.

### **Submission instruction:**

Each applicant can submit only one of the following two types:

- Full research papers (8,000-12,000 words)
- Paper idea (2,000-3,000 words in length and include a theoretical framework, propositions, and proposed research design).

All manuscripts should be submitted to <http://www.edmgr.com/rsbe> (under "JSBE Paper Development Workshop") by **March 15, 2018**. Participants will be notified about the acceptance of their submissions no later than **April 5, 2018**. They will need to confirm their participation in the PDW by **April 15, 2018** upon which they will be assigned a manuscript to review.

Each participant at the 2018 CCSBE conference will have to register/pay the fees online. Please visit the conference website: <http://launchdal.com/ccsbe-2018/>
